Objective:

To use my creativity and skills to create animations that entertain and wow people.

Computer Skills:

- Comfortable working in Mac and PC environments
- Adobe After Effects, Dreamweaver, Flash and Photoshop
- Autodesk 3D Max, Maya and Motion Builder
- Microsoft Office

Summary of Qualifications:

- Experience working with a team to complete various projects given by clients, execs, and AD's
- Experience working with tight, same day deadlines, multi tasking and setting priorities
- Experience working in 2D and 3D animation
- Great sense and understanding for movement and life like animation
- Great ability to manage, organize and work under pressure in a creative artistic environment

Professional Background:

True North Inc. New York, NY

Interactive Production Artist May 2008 - May 2009

Responsibilities included working with deadlines (often same day) on a team of 4 to produce animated web banners and other forms of advertisements for clients such as Disney and ABC. Designed layouts for various emails and headers used on the *Toys "R" Us Birthday* site. Worked on over 20 different web banner campaigns (each with 3-5 versions) with many revisions in order to please the client and create the best work possible.

8 Hats High Animation Studio Middletown, NY

Animation Intern January 2008 - May 2009

Learned the steps needed to complete an Animation, such as Storyboarding, Key Framing, Inbetweening, Inking, Scanning and putting together on a computer for review. Assisted on various projects including the cartoon *Psych*, that aired the on *USA Network*. Was given the opportunity to assist as a part time Inbetweenener.

Current Projects:

G-Lu, April 2008 - Present

Designed character. In the process of developing artwork, a character cast, and 3D animation for him.

Other Activities:

Student and Instructor of Tae Kwon Do (Licensed Black Belt)

Education:

Marist College, 2004 - 2008, Poughkeepsie, NY

Bachelor of Science in Digital Media

Study Abroad, *Visions of Japan*, March 2008

Studied Modern Art, Culture, and History for two weeks in Kyoto, Nara and Tokyo.

Study Abroad, *Visions of Italy*, June 2007

Studied Art History for three weeks in Florence, Rome, Tuscania and Venice.
